Your Learning in April

Courses in progress

	How to Build Your Own Computer Enrolled on 8th April	83%	Continue Learning
	Introduction to Computer Hardware and Software Enrolled on 8th April	92%	Continue Learning
	Basics of Computer Networking Enrolled on 8th April	91%	Continue Learning
	Diploma in Engineering Drawing and Computer Graphics Enrolled on 8th April	90%	Continue Learning
	Computer Maintenance and PC Building Enrolled on 8th April	92%	Continue Learning
	An Introduction to Technical Drawing Enrolled on 8th April	89%	Continue Learning
	Mechanical Engineering - Internal Combustion Engine Basics Enrolled on 8th April	89%	Continue Learning
	Introduction to Industrial Engineering Enrolled on 8th April	94%	Continue Learning
	C Programming - Logic and Statements Enrolled on 8th April	95%	Continue Learning
	Understanding Microcontroller Interfacing Using Different Elements Enrolled on 8th April	91%	Continue Learning
	Engineering Project Management Enrolled on 8th April	94%	Continue Learning
	Diploma in Audio System Engineering Enrolled on 8th April	91%	Continue Learning
	Intelligence Electrical Devices and Digital Electrical Circuits Enrolled on 8th April	89%	Continue Learning
	Diploma in Mathematics for Engineering Enrolled on 8th April	92%	Continue Learning
	Fundamentals of Biomedical Engineering Enrolled on 8th April	86%	Continue Learning
	Understanding Thermodynamics for Science and Engineering Enrolled on 8th April	88%	Continue Learning
	Chemical Engineering Overview Enrolled on 8th April	90%	Continue Learning
	Introduction to Electric Vehicle Technology Enrolled on 8th April	91%	Continue Learning
	Mechanisms of Gas Turbines Enrolled on 8th April	92%	Continue Learning
	Diploma in Structural Engineering and Construction Site Safety Enrolled on 8th April	91%	Continue Learning
	Diploma in MS Project for Civil Engineer - Expert-Level Proficiency Enrolled on 8th April	94%	Continue Learning
	Diploma in Marine Diesel Engines Enrolled on 8th April	90%	Continue Learning
	Introduction to Plumbing Tools and Drawings Enrolled on 8th April	96%	Continue Learning
	Diesel Engine Basics Enrolled on 8th April	88%	Continue Learning
	Theoretical Foundations in Domestic Plumbing Enrolled on 8th April	83%	Continue Learning
	Introduction to Plumbing Enrolled on 8th April	96%	Continue Learning
	Introduction to Criminal Law Enrolled on 8th April	83%	Continue Learning
	Teach2030 Facilitator Training Course Enrolled on 8th April	90%	Continue Learning
	Basics of Security Management Enrolled on 8th April	90%	Continue Learning
	Private Investigation Methods and Techniques Enrolled on 8th April	91%	Continue Learning
	Security Guarding, CCTV Monitoring and Door Supervision Enrolled on 8th April	92%	Continue Learning
	Digital Security Awareness Enrolled on 8th April	15%	Continue Learning
	Security Management Enrolled on 8th April	91%	Continue Learning
	The Basics of Security Guard Work Enrolled on 8th April	92%	Continue Learning
	Becoming a Private Detective Enrolled on 8th April	94%	Continue Learning
	Food Safety and Hygiene Enrolled on 26th July	91%	Continue Learning
